b. Asbestos Removal

[redacted] - General Services Administration (GSA) has contracted with an Occupational Safety Hazard Group to inspect and recommend the method for removal of the asbestos [redacted]. Their report was expected by 25 July 1986 but had not been received as of 28 July 1986. Until their report and recommendations are received, GSA has asked [redacted]

[redacted] not to begin any removal work. According to GSA, the work must be done according to GSA standards in order for them to accept the work and approve the acquisition of the first floor for the Agency. [redacted].

Efforts by OL are continuing to speed up this process.

c. Construction

- The initial construction on the communications center and switch room [redacted] is scheduled to begin the week of 4 August. ~~THIS phase zero~~ construction is expected to be completed the week of 22 September.

d. Parking Reallocation

- The Real Estate and Construction Division, OL, Parking Coordinator received the population figures [redacted] from the Directorates. The figures are being reviewed for distribution of permits. [redacted]

Period Ending 30 July 1986

e. Security Clearances for Building Management

yes
~~Personnel~~ - On 23 July 1986 a meeting was held at the Office of
Dominion Management Company (DMC) to discuss the Agency's security
requirements for building management and maintenance personnel.
DMC manages both the Ames and Chamber of Commerce Buildings. *1. T*
Agency representatives present were: Security Staff, OL (SS/OL),
and Real Estate and Construction Division, OL. It was explained
to DMC that the polygraph is a requirement for security clearance
and unescorted access to our buildings. As a result, DMC
requested that a meeting between Office of Security (OS) and their
employees be arranged so that questions and fears about the
polygraph can be addressed. SS/OL agreed to consult with OS and
if possible arrange such a meeting.

Period Ending 30 July 1986

25X1

i. Parking Reallocation in Rosslyn - Chief, Technology Transfer Intelligence Committee, Secretariat sent a memorandum to the Chief, Real Estate and Construction Division (RECD), OL requesting a parking reallocation in Ames Building. Chief, RECD responded with a memorandum explaining the parking reallocation for Rosslyn for 1986 was postponed due to the anticipated relocation of some components from Rosslyn. Since that time, the dates of the relocations have been moved back. Per General Services Administration regulations that require an annual review and reassignment of all parking spaces, the RECD Parking Coordinator has scheduled to begin a parking reallocation for the Rosslyn area in September 1986.
